

Heidi Dean

Teacher

Social Media Strategist for Actors!

Bio

Heidi Dean is the industry's top social media expert for actors and the creator of Marketing4Actors. She has built followings, created strategy or coordinated social media accounts for Broadway stars, Emmy Award-winners, content creators, recording artists, directors, producers, filmmakers and more.

Heidi is a graduate of NYU's Tisch School of the Arts and was a professional SAG and AEA actor for more than 20 years in theater, commercials, voiceovers, print, and TV. Combining her years of industry experience with cutting edge social media strategy, her online classes help actors create more acting opportunities, build an audience, and make powerful connections using social media.
